Exceptional

To what extent does this result contribute to the organization’s success? **0-25**

Exceptional
High 20-25
Moderately High 15-19
Moderate 10-14
Moderately Low 5-9
Low 0-4
Score:

High (20 - 25 points)

The project consistently delivers high value.
The project impact has exceeded expectations with ongoing benefits

Moderately High (15 -19 points)

The project provides sustained robust and reliable value, meeting and occasionally surpassing targets.

Moderate (10 -14 points)

The project provides satisfactory limited noteworthy value with limited impact.

New Values

How ‘new’ is the project and which elements within it are considered innovative? **0-25**

New Values
High 20-25
Moderately High 15-19
Moderate 10-14
Moderately Low 5-9
Low 0-4
Score:

Improvement

How does this result or improvement compare to the previous method? **0-25**

Improvement
High 20-25
Moderately High 15-19
Moderate 10-14
Moderately Low 5-9
Low 0-4
Score:

Competitive Edge

What sets this project apart from others internally or externally? **0-25**

Competitive Edge
High 20-25
Moderately High 15-19
Moderate 10-14
Moderately Low 5-9
Low 0-4
Score:

Total / 100

Moderately Low (5 - 9 points)

The project offers limited benefits with minimal value and may require additional time and effort to realize its full potential

Low (0 - 4 points)

This project delivers almost no value currently and may require significant adjustment to achieve viable outcomes
